GO THE EXTRA MILE

Find a sponsor to match what you raise.

Don't be afraid to set the bar high! Challenge yourself & others to go 24hrs without electricity. Accept donations instead of gifts for your next birthday, Christmas, engagement or other festivities. Throw a party & collect donations at the door. Don't forget to have fun!

RAISE THE STAKES

ADVERTISE

Share videos & photos from EarthSpark's Toolkit, make your own video about why you want to support energy access, celebrate donations with update posts. Engaging your community brings them along on your journey. Showing why this cause really matters inspires others to donate.

Be sure to let donors know how much money was raised with their help. Remember to send your thanks & ours to all involved. Funds raised can be sent via **PayPal** or by check.

Thank you for your support!
