## GO THE EXTRA MILE

Find a sponsor to match what you raise.

Think about where your sale will be. Maybe at work, school, or in a local community space. Once you've picked your time & place, get the ball rolling!

## WHEN & WHERE

## ASSEMBLE A TEAM

Recruit your team of friends, family, or fellow bakers to help bring your bake sale to life.

Everyone loves a bake sale! Make sure no one misses out. Advertise the where, when and why of your event - social media is a great tool for this. Don't forget to mention that they'll need change on the day. Reminders closer to the big day are a bonus!

## SPREAD THE WORD

## ORDER RESOURCES

Want to decorate your sale with EarthSpark branded balloons, bunting & napkins? You can order resources at [community@earthsparkinternational.org](mailto:community@earthsparkinternational.org) Make sure you order a month in advance for ordering & shipping.

Strap on your apron & start baking! Consider including dietary friendly options. Maybe you want to bake to a theme? Why not make it a bake off? Get creative! Don't forget to practice good food hygiene standards & clearly label any allergens your baked goods may have.
